

Dear Sir/Ma'am,

I am interested in the React Developer internship at your company. I recently came across the vacancy through social media. I am currently employed as a Junior. Frontend Developer at Radiant Infotech Pvt. Ltd. I am excited about the opportunity to contribute my skills and passion to your team.

Having worked as Frontend Developer for 6+ months. I have developed my frontend skills. Throughout this time, I have worked on numerous projects using ReactJS. I am proficient in HTML, CSS, JS, Bootstrap, Tailwind CSS, ReactJS, as well as MERN technology and also in version control using Git. I am particularly drawn to Frontend Development because of my passion for creating visually appealing and user-friendly websites. You can take a look at my project using MERN technology at <https://github.com/kanxa12345/rock-rift>.

I look forward to meeting with you and discussing my qualifications in more detail.

Sincerely,

Sandip Shrestha
